### General Information

The University of Applied Sciences (THU) has about 3,500 students and offers majors in the fields of engineering, computer technology, business and media. Modern mobility, digital technology, medical engineering, sustainable energy systems and intelligent industrial systems, students will find independent and creative answers to current societal and technological issues. Our degree courses have a practical and personal focus. Practical course components, practical semesters and theses in cooperation with renowned companies from the region enable a perfect combination of theory and practice. The science-based higher education we offer has an excellent reputation. THU graduates are highly sought-after in business and industry and quickly find attractive and well-paid careers.
City & number of inhabitants | Ulm with ~126,000 inhabitants is located in the state of Baden-Wuerttemberg in the center of southern Germany. By high-speed train it takes about 1h to Stuttgart and about 1.5 hours to Munich. [https://tourismus.ulm.de/en/](https://tourismus.ulm.de/en/)

### Application

#### Application procedure for students

**Students should be nominated by their home universities first.** We will then send them the link to our online application form. Students should be able to follow lectures in English or German (level B2). The university international coordinator should send the nomination list to [Stephanie.wagner@thu.de](mailto:Stephanie.wagner@thu.de).

**Nomination dates:**
- 25th March for the following fall semester
- 25th September for the following spring semester

#### Application deadlines

- 1st of May for the following fall semester
- 1st of November for the following spring semester

**Please note: the online application will be closed at May 1st and November 1st. It will not be possible to apply after this date.**

### Costs

#### Living expenses

For living expenses, students should calculate a minimum of €934/month. Students from Non-European countries who have to apply for a residence permit in Germany will have to prove financial means of €934/month.

#### Registration Fee

Every student has to pay a registration fee of approx. €92 to the association of student affairs to get the student ID card.

#### Health insurance

All Non-European students must sign for a German insurance policy which will cost you around €120 per month.

### Housing

#### Accommodation / Housing

THU will try to provide housing in one of our student dormitories for exchange students regarding the wishes, the students mark in the housing request form. However, the situation in Ulm has become very difficult and we **can not** guarantee that we will find housing for all students. Housing prices range in the dormitory is approx. €350-400 per month. There is a security deposit of €300 per room.
